1868.

PREFATORY NOTICE.

THE PROJECTORS, in presenting their second year's issue to the Public, take the opportunity of returning their best thanks for the very liberal support they have met with—a support so liberal, indeed, as not only to have exceeded their most sanguine anticipations, but, what is much better, to have placed the success of their venture beyond a doubt. The work having thus received the stamp of Public approbation, it only remains for the Projectors to make such improvements upon it from year to year as shall tend to render it a work of some little value to a commercial community. Next year, therefore, the book will be very much improved in every section; and contain a large amount of additional information.

With the view of meeting the requirements of all classes, Projectors have this year issued a HOUSEHOLD DIRECTORY at 2 which they trust will meet with the approval and support of the section of the community for whose use it is prepared, and supply what has been a long felt want.

In the meantime, their best thanks are due to those gentlemen who so cheerfully furnished them with information of every kind; and they trust that information will be found to be as accurately reproduced as it was cheerfully given.

Clauses in the Edinburgh Police Acts and Provisional Order affecting the Interests of Householders.

Bread to have the Weight impressed upon it.

By section 106 of the Edinburgh Provisional Order, all bakers and dealers in bread are bound to impress upon all bread made or exposed by them for sale, (excepting fancy bread or rolls,) in large and distinct figures, the imperial weight of such bread; and any person exposing for sale or selling bread not so impressed is liable in a penalty not exceeding forty shillings for each offence. A like penalty is incurred by those who sell bread under the weight impressed upon it.

Adulterated Food.

By the Act 23 and 24 Vict. cap. 84, 'the sale of adulterated articles of food or drink is prohibited; and the Edinburgh Police Act of 1848, sec. 117, enacts: That any person selling, or exposing for sale, butter, meal, bread, or other article of food which is adulterated, shall, upon conviction before a judge, for every such offence, be liable to a penalty not exceeding five pounds, and to the forfeiture of such adulterated article.

Drying Clothes.

By Section 99 of the Edinburgh Provisional Order, every person who hangs or places any linen or clothes, or other such article, on any rail or fence of any premises, or who places any line, cord, or pole across, upon, or over any part of any street or court, or who hangs or places any clothes thereon, or on the outside of any window fronting any street or court, is liable to a penalty not exceeding forty shillings for each offence.

Beating Carpets.

By the same section, every person who beats or shakes any carpet, rug, or mat (except rugs or mats shaken before the hour of eight in the morning), is liable to a penalty not exceeding forty shillings for each offence.

Cleaning Windows.

By the same section, every occupier of any house or other building, or other person, who orders or permits any person in his service to stand on the sill of any window, in order to clean, paint, or perform any other operation upon the outside of such window, or upon any house or other building, unless such window be in the sunk or basement story, is liable to a penalty not exceeding forty shillings for each offence.

Flower-Pots at Windows.

By the same section, every person who fixes or places any flower-pot, or box, or other heavy article, in any upper window, without sufficiently guarding the same against being blown down, is liable to a penalty not exceeding forty shillings for each offence.

Ashes, Rubbish, &c.

By the same section, every person who throws or lays any dirt, litter, or ashes or nightsoil, or any carrion, fish, offal, or rubbish, slops, or dirty water, on any street, back area, court, or place within the burgh, or causes or allows any matter, solid or liquid, to fall or run on any street or court: provided always, that it shall not be deemed an offence to lay sand or other materials in any street or court in

time of frost to prevent accidents, or litter or other suitable materials to prevent the freezing of water in pipes, or in case of sickness to prevent noise, if the person laying any such things causes them to be removed as soon as the occasion for them ceases, is liable to a penalty not exceeding forty shillings for each offence.

Water and Water-Closets.

The 74th section of the Provisional Order makes it incumbent on the proprietor of every house, or part of a house, within the burgh, occupied by a separate family, to introduce water into it, and to fit up, in some window, recess, or other well-lighted and ventilated place, a sink with a sufficient soil-pipe, and also, wherever practicable, and in a position to be approved of by the burgh engineer, a proper water-closet. If, however, the magistrates and council deem it inadvisable to introduce a water-closet into each house or part of a house, they may require, after a month's notice, the owners of a tenement to construct on each flat, or in some convenient place adjacent to such tenement, a sufficient number of water-closets for the use of each sex of the occupiers of said tenement.

Water-Closets to be Ventilated.

According to the Edinburgh Provisional Order, section 76, owners of houses, the water-closets in which ventilate into common-stairs, are bound, whenever the medical officer shall certify the same to be offensive, to adopt all practical means to have such water-closets ventilated by direct communication with the open air, or in such other manner as the magistrates and council may order; and persons failing so to do may incur a penalty of forty shillings for every day the default is continued.

Penalty for introducing Ashes, &c., into Soil-Pipes.

Any person who shall cause, or knowingly or by culpable neglect permit to enter into the soil-pipe connected with any sink or water-closet, ashes or other matter calculated to choke the same, shall, as provided in section 51 of the Edinburgh Police Amendment Act, be liable in a penalty not exceeding forty shillings, besides repairing the damage caused by such offence.

Common Stairs, &c., to be Cleaned.

By section 197 of the Edinburgh Police Act, 1848, it is enacted that the occupiers of every house, flat, or story entered by a common stair or passage, shall cause the stair and passages immediately below the flat or story possessed by them to be swept every lawful day, and washed at least twice a-week, and all areas connected therewith to be swept every lawful day; and if any flat or story of the tenement be unoccupied, the occupiers of the flats or stories above shall cause the stairs and passages below such empty flat or story to be swept and washed downwards to the next house which shall be occupied, or to the street, and the passages from the bottom of the stair, landing-places, and steps to the street shall be swept and washed by the occupiers of the house or flat nearest the said landing-place or bottom of the stair; and all areas and common passages leading to cellars shall be cleansed weekly by the occupiers of the cellars in the same, or by parties having a right to use

such areas or passages, or who shall use such areas or passages, and every person offending herein shall for each offence be liable to a penalty of five shillings; and in cases where the common stair enters from the street above, the occupiers of every house, flat, or story shall be bound, every lawful day, to sweep, and twice a-week, to wash the passage or stair from the street or flat immediately above them downwards to the house, flat, or story possessed by them, and also to cleanse any area connected therewith; and if any flat or story of the tenement be unoccupied, the occupiers of the flats or houses occupied shall be bound to sweep and wash the stair and passages upwards to the street, and cleanse the area, if there be one, on to the next house that shall be occupied, all in like manner, and under a penalty of five shillings for each offence: provided always that it shall be lawful, under a like penalty, to compel owners or parties having charge of property to cleanse out cellars and apartments which may be unoccupied.

Lighting Common Stairs.

Section 27 of the Provisional Order makes it incumbent on the owner or owners of common stairs, passages, private courts, or of lands or premises having a right of access by any common stair, passage, or private court, to provide and erect all necessary lamps for lighting the same in a suitable manner, under a penalty not exceeding forty shillings for every day's delay in doing so beyond the period allowed by the magistrates when they order the same to be accomplished; and, according to section 28, if the lamp or lamps, after having been erected, are not kept regularly cleaned and lighted, during the hours fixed by the magistrates and council, by the occupiers of any building or part of a building to which access is obtained by a common stair, passage, or court, a penalty not exceeding ten shillings for each offence is incurred by every occupier failing to do so.

Common Stairs to be Painted and Ventilated.

Owners of common stairs and passages are required, by section 125 of the Provisional Order, to have the same whitewashed or painted, and provided with proper means of ventilation, to the satisfaction of the burgh engineer or inspector of cleansing.

Penalty for Chimneys taking Fire.

Section 170 enacts that if any chimney accidentally catch or be on fire, the occupier of the premises in which such chimney is situated shall be liable to a penalty not exceeding ten shillings: provided always that such fine shall not be incurred if the occupier prove to the satisfaction of the judge before whom the case is heard that the fire was in no wise owing to omission, neglect, or carelessness of himself or servant. Should the chimney, however, be wilfully set on fire, the person doing so, or causing it to be done, may, according to section 171, be fined to the extent of five pounds, and may also be prosecuted before a criminal court.

Removal of Furniture during certain Hours may be Stopped.

Section 168 of the Edinburgh Police Act empowers any police officer to stop and detain, until due inquiry can be made, any cart or carriage, and any person in charge thereof or connected therewith, found employed removing furniture between the hours of eight in the evening and six in the morning, except at the usual fitting terms.

Goods or Money Found to be Reported to Police.

All goods, money, or other articles found within the burgh, and for which at the time the same are found no owner may be known, must, in accordance with section 113 of the Provisional Order, be reported at the Police Office by the person finding the same; and if such person shall take possession of the goods, money, or other articles found by him, and shall fail to report the same as aforesaid within forty-eight hours, he shall be deemed guilty of an offence, and be liable to a penalty not exceeding five pounds; and if the finder shall appropriate the articles found to his own use, he shall be deemed guilty of a higher offence, and be liable to a penalty not exceeding ten pounds, besides restoring the same to the owner thereof.

Promotion of Public Health.

Sections 48, 49, and 50 of "The Public Health (Scotland) Act, 1867," enact that—

1. If any person suffering from any infectious disorder shall enter, or any person in charge of an individual so suffering shall place such person in a steambath, sailing vessel, railway carriage, stage coach, hackney carriage, or other public conveyance, without previously notifying to the owner or person in charge thereof that such individual is so suffering, the person so contravening this provision shall, on conviction before a judge, be liable to a penalty not exceeding five pounds.

2. Any person suffering from any infectious disorder who wilfully exposes himself in any street, public place, or public conveyance, and any person who, without previous disinfection, knowingly gives, lends, sells, transmits, or exposes any bedding, clothing, rags, or other things which have been exposed to infection from disease, shall, on conviction, be liable to a penalty not exceeding five pounds.

3. If any person knowingly lets any house, room, or part of a house, in which any individual suffering from any infectious disorder has been, without having such house or room, and all articles therein liable to retain infection, disinfected to the satisfaction of a qualified medical practitioner, as testified by a certificate given by him and lodged with the sanitary inspector, such person shall be liable to a penalty not exceeding twenty pounds. For the purposes of this section, the keeper of an inn or hotel shall be deemed to let part of a house to any person admitted as a guest into such inn or hotel.

Regarding Appearance in Police Court.

Any accused person summoned to answer to any complaint charging an offence inferring merely the payment of a fine and the finding of caution, may appear by agent, or other party duly authorised by the said person to act for him.—(*Edinb. Police Act.*)

Penalty for Witnesses not Appearing.

If any person who has been duly cited to appear as a witness before the judge of police fail to do so, the judge is empowered, by section 179 of the Provisional Order, to grant warrant to have such person apprehended, and to commit him to prison until he finds security to appear to give evidence, and may also, in open court, and in a summary manner, sentence such person to a penalty not exceeding five pounds; or if any person summoned as a witness shall refuse to be sworn or examined touching or concerning the subject-matter of complaint, the judge of police may grant warrant to commit such person to prison for any period not exceeding sixty days.

THE WIFE'S APPEAL.

YESTREEN I went a shopping, John,
 And guess ye what I seen,
 The bravest and the cheapest Boots
 That ever graced my een;
 Strong pegg'd and screws to meet the views
 O' honest working bodies,
 And finer dress't to suit the taste
 Of highest lords or ladies.

A' folk speak weel o' LECKIE'S Boots,
 I've spack to Mrs Miller,
 Her family a' hae worn them lang,
 They save an unco siller.
 An', John, as soon as pay comes roon',
 I am resolved to try them,
 And pairs ye'll gie the weans and me,
 For LECKIE can supply them.

It's hard on honest working folk
 Tae keep up decent shin;
 But LECKIE'S Boots, near half the price,
 Is noo a different thing.
 And, John, as soon 's the pay comes roon',
 To LECKIE'S Shop we'll gang,
 And we'll get pairs a' folk declares,
 Will last a twelvemonth lang.

 IN THIS ENLIGHTENED AGE.

In each polite assembly,
 Where fashion bears the sway,
 There's one peculiar feature marks
 The progress of the day.
 In army or in Senate House,
 In church, at bar, on stage,
 All wearing LECKIE'S Yankee Boots
 In this enlightened age.

But not for these, or these alone,
 Must LECKIE'S skill provide,
 Ye sons of labour, Britain's strength,
 Her glory and her pride—
 To thee commerce her comforts bring,
 While LECKIE will engage
 To keep ye all in Yankee Boots
 In this enlightened age.

In city and in rural scenes,
 In cottage and in hall,
 The Yankee Boots are being prized
 And worn by one and all.
 While cheapness, elegance, and worth
 Will be the truest gauge,
 The Yankee Boots will rank the pride
 In this enlightened age.

BOOTS.**BOOTS.****BOOTS.**

Boots for all, both great and small,
 A splendid varied lot;
 From lord, who dwells in princely hall,
 To peasant in his cot.
 Boots good for those who do engage;
 To walk much of their time
 Boots for tender feet of age,
 With uppers soft and fine.
 Boots, the Volunteers' delight,
 Who foot to foot advance;
 Boots for feet of beauty bright,
 Who join the mazy dance.
 Boots for they, through brush and brake,
 Who follow hound and horn;
 Boots, very soft, for feet which ache
 With many a stinging corn.
 Boots for those, sedate and grave,
 Who walk with solemn air;
 Boots for those who wish to save,
 (Enduring, good to wear.)

Boots, double-soled and watertight,
 For those in slushy weather;
 Boots, for happy lovers, bright,
 About to join together.

Boots for they who rise each day,
 And to their labour go;
 Boots for children's school or play,
 With brass caps at the toe.

Boots made on a superior plan,
 Unlike the common trash;
 Boots, the friend of working men,
 For very little cash.

All they who health and wealth would save,
 Should on their minds these lines engrave.

GENERAL POST-OFFICE, EDINBURGH.

POSTMASTER-GENERAL FOR THE UNITED KINGDOM,
HIS GRACE THE DUKE OF MONTROSE.

RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

LETTERS.

Inland Rates of Postage.—Letter weighing $\frac{1}{2}$ oz., 1d.; above $\frac{1}{2}$ oz., and not over 1 oz., 2d.; $1\frac{1}{2}$ oz., 3d., and so on, increasing 1d. every $\frac{1}{2}$ oz., or fraction thereof, if prepaid, and 2d. if unpaid.

Weight.—The weight of inland letters is unlimited; but they must not exceed 2 feet in length and 1 foot in breadth, unless for the public departments; and they must be prepaid with stamps.

Letters not to be Returned.—Letters once posted cannot be returned upon any pretence whatever; but must be forwarded to those to whom they are addressed.

Late Letters.—Late letters may be put into the late letter box *fifteen minutes* after the closing of the mail, with an additional penny stamp affixed; and with three additional stamps they are in time till ten minutes before the despatch of each mail. In Edinburgh, however, late letters are only received for *ten minutes* after the closing of the box; but for the two London mails, at 5.30 and 8.30 P.M., the time is extended to *twenty minutes*.

Contents of Letters.—Letters containing anything of a perishable or dangerous nature, or that might prove injurious to other letters, are not forwarded, but are sent to the Returned Letter Section.

Redirected Letters.—Redirected letters are charged new rates of postage, just as if posted for the first time. But if not prepaid at the time of reposting, they will only be charged the prepaid rate on delivery. Stamps put on redirected letters should not be placed over the old ones.

NEWSPAPER, BOOK, AND PATTERN POST.

Newspapers.—All periodical publications, including newspapers, published in the United Kingdom, at intervals not exceeding thirty-one days, and which shall bear a stamp or stamps denoting the stamp-duty, may be transmitted and retransmitted through the post, within the United Kingdom, free of postage, for fifteen days from the date of publication, under the following regulations:—Publications not exceeding two sheets must have one penny stamp, three sheets a three-half-penny stamp, and four sheets a twopenny stamp. The title and date of every publication must be printed at the top of every page, and it must be folded in such a manner that the stamps are distinctly visible on the outside. It must either have no cover, or be in a cover open at the ends, and contain no enclosure, nor have any other writing or mark on it, or on the cover, but the name and address of the party to whom it is sent. If it has any writing besides the address of the person to whom it is sent, either on the paper or cover, or if it is retransmitted by post without the old address having been cut off, it will be charged 2d. In case of any other irregularity, it is dealt with as an unpaid letter, or charged double book postage.

Registered Letters.—Inland letters or book-packets can be registered on the payment of a fee of 4d. in addition to the ordinary postage. The full amount in stamps for both postage and fee must be on the letter when presented for registration; and it must be presented *half-an-hour before the closing of the box*, otherwise it will be liable to a late fee of 4d. Registered letters should never be dropped into the box, but presented at the window, and a receipt obtained for them. If dropped into the box, 8d., or double the ordinary fee, is charged. All letters, not registered, containing coin, are charged a fee of 8d., which must be paid before delivery.

Money Orders.—An order from one Post-office on another, for any sum not exceeding £2, may be obtained for 3d.; above £2 and not exceeding £5, 6d.; above £5 and not exceeding £7, 9d.; above £7 and not exceeding £10, 1s., above which sum no single order can be granted. A money order must be presented for payment before the end of the second month after that in which it is issued, otherwise a new order will be necessary, for which a second commission must be paid; and if not presented before the end of the twelfth month, the money will not be paid at all. For the colonies, the regulations are the same as for inland orders, but they do not lapse till the end of four months, and the commission is, for £2, 1s.; above £2 and not exceeding £5, 2s.; above £5 and not exceeding £7, 3s.; above £7 and not exceeding £10, 4s., which is the highest sum for which a single order can be drawn.

Inland Book Post.—Each packet not exceeding 4 oz., 1d.; 4 oz. and not exceeding 8 oz., 2d.; and so on, 1d. being charged for every additional $\frac{1}{2}$ lb. or part thereof. But the following conditions must be observed:—The packet must be prepaid in full, by affixing on it the necessary number of stamps—must be either without a cover, or in a cover open at the ends or sides—must not contain any letter either wholly manuscript, or partly written and partly printed, open or sealed, nor any sealed enclosure whatever, and must not exceed two feet in length, and one foot in width or depth. All letters found in a book packet will be charged the unpaid letter rate, and 1d. additional. If any letter is written on a book or its cover, it will be charged unpaid letter postage.

Inland Pattern Post.—A packet of patterns not weighing more than 4 oz., 2d.; under 8 oz., 4d.; and 2d. for every additional $\frac{1}{2}$ lb. or part thereof, but no packet of patterns must exceed 24 oz. The postage must be prepaid in stamps; and there must be no writing or printing other than the address, and the name of the sender, a trade mark and numbers, and the price of the articles.

List of Post Towns and Towns in Scotland which grant and pay Money Orders.

When one place only is mentioned, in the following list, it is a Head Office, and when there are two, the first is a Sub-Office, and the second is the Head Office to which the first is subordinate. With very few exceptions, all Head Offices are Money-Order Offices; but it sometimes happens that there is a Money-Order Office nearer the Sub-Office than the Head Office. In such cases the Money-Order Office is added as a third name for the information of those who may wish to remit money to the neighbourhood. Offices at which both Money Order and Savings Bank business is transacted are marked thus, *.

The hours of despatch from Edinburgh to every town in the following list, will be found in the Table at page 580. When the name of a Sub-Office is not found in the Table, the hour of despatch to that Office will be the same as to the Head-Office to which it is contiguous. For instance, neither Aberarder nor Ardross will be found in the Table; but as Inverness will be seen to be the Head Office to these towns, so the hour of despatch for these places will be the same as that for Inverness. And so with all others.

All documents or writings usually termed letters of credit, or whereby any person to whom any such document or writing is or is intended to be delivered or sent, shall be entitled or be intended to be entitled to have credit with, or in account with, or to draw upon any other person for, or to receive from such other person any sum of money therein mentioned.

The following is from schedule of 23 Vict. c. 15, under BILL of EXCHANGE, DRAFT, or ORDER:—

Provided always, that any one Document or Writing, although directing the payment of several sums of money to different persons, shall be chargeable with Stamp duty, as one order only.”

Duty may be denoted by adhesive stamp, to be cancelled as in the case of a draft on demand. (23 & 24 Vict. c. 111, § 17.)

Exemptions.—Any draft or order drawn by any banker upon any other banker, not payable to bearer or to order, and used solely for the purpose of settling or clearing any account between such bankers.

[The duty on drafts or orders may be impressed on the paper, or an adhesive stamp may be affixed. (16 & 17 Vict. c. 59, § 3.) See *Adhesive Stamp*.—Where an adhesive stamp is used, the maker of the draft to cancel the stamp by writing on it his name or initials. Penalty for omission, &c., £10. Note.—The duty on a Foreign Bill, on and after 3d April 1860, drawn or endorsed out of the United Kingdom for the payment of money on *demand*, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above. The word "endorsed" is held by the Board of Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of

the United Kingdom on demand, although to be endorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm, and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purported, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 33.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word "paid" upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision "drawn in sets of three or more" apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue, (see *North British Daily Mail*, 3d November 1854.) But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same amount,—that is, if one of the parts have the full duty, the others may be unstamped, (see *Times*, 6th November 1854.) The schedule of the Act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set, and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number

of the set. Penalty £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (*Ib.* § 6.) This applies only to bills drawn within and payable out of the United Kingdom. Bills payable on demand, and endorsed out of the United Kingdom, wheresoever drawn, are held to be Foreign Bills, but chargeable with the same duty as inland bills not payable on demand. (27 & 28 Vict. c. 56, § 2.)

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

RECEIPTS for money amounting to £2 or upwards,—1d.

The following provisions as to what shall be deemed a receipt, and the exemptions from receipt duty by 55 Geo. III. c. 184, are still in force.

Any note, memorandum, or writing whatever, given upon the payment of money, whether signed or not, shall be a receipt if it shall import or signify that any sum of money, debt, or demand, or any part thereof amounting to £2 or upwards, has been paid or settled; and like documents given upon payment by bills, drafts, promissory notes, or other securities for money, are also receipts.

According to decisions, a simple acknowledgment of a sum of money in loan, or of the correctness of a debt, or of a deposit of money, is not liable to stamp duty, either as a receipt or promissory note. The judges held it essential to render a receipt liable to duty that something formerly due had been discharged. On this principle a receipt for a sum of money as a donation to a religious or charitable purpose, not being anything formerly due, would not be liable. The Board of Inland Revenue have intimated that they are to regard such receipts as exempted.

Among the exemptions from receipt duty are—Receipts written on promissory notes, bills, drafts, or orders for the payment of money, duly stamped.

Receipts written on any bond, mortgage, or other security, or any conveyance, deed, or instrument whatever, duly stamped, acknowledging the receipt of the consideration money therein expressed, or the receipt of any principal money, interest, or annuity thereby secured.

The exemption of letters by the general post acknowledging the safe arrival of any bills of exchange, promissory notes, or other securities for money, is repealed by 17 and 18 Vict. cap. 83, § 13.

[Stamps may be impressed or affixed. Where adhesive stamps are affixed, the grantor is required to cancel the stamps by writing, stamping, or impressing in ink, his name or initials on them. Penalty for omission,—£10. Penalty for removing adhesive stamps, or using them a second time, or doing any fraudulent

act to defraud of duty,—£20. (16 and 17 Vict. c. 59, § 3, 4, and 5; 24 and 25 Vict. c. 91, § 33.)]

SASINE.—Instrument of sasine given on any charter, precept of *clare constat*, or precept from Chancery, or on any wadset, heritable bond, disposition, appraising, adjudication of any heritable subjects not of burgage tenure,—5s. Progressive duty,—5s.

Note.—An instrument of sasine proceeding on two precepts, even although in one disposition, is liable to two duties of 5s.

SCHEDULE OR INVENTORY of heritage or movables, or containing the terms of any proposed sale, lease, &c., or regulations for the cultivation and management of any farm, &c., separate from and referred to in lease, bond, deed, agreement, &c., chargeable with any Stamp duty not exceeding 10s.—The same duty as shall be chargeable on such lease, bond, agreement, &c.; and where referred to in such, chargeable with a duty exceeding 10s.—10s. Progressive duty,—10s.

SCRIP CERTIFICATE, after 4th August 1853,—the duty of 1d. imposed by 16 and 17 Vict. c. 63, § 8, repealed after 12th Aug. 1867. (30 and 31 Vict. c. 90, § 22.)

SCRIP.—Letter of Allotment of any share of any company, or in respect of any loan raised, or proposed to be raised, by any such company, or letter of allotment issued or delivered in the United Kingdom of any share of any foreign or colonial company, or proposed company, or in respect of any loan raised, or proposed to be raised, by or on behalf of any foreign or colonial government, state, company, or corporation; including letter of renunciation, or other document having the effect of a letter of allotment in favour of any person,—1d.

of any share of any company, or proposed company, or Scrip Certificate or other document issued or delivered in the United Kingdom entitling any person to become the proprietor of any share of any foreign or colonial company, or proposed company,—1d.

SCRIP or other document denoting, or intended to denote, the right of any person as a subscriber in respect of any loan raised, or proposed to be raised, by any company, or any Scrip or other document issued or delivered in the United Kingdom, denoting, or intended to denote, the right of any person as a subscriber in respect of any loan raised, or proposed to be raised, by or on behalf of any foreign or colonial government, state, company, or corporation,—1d.

[If a person sign, grant, issue, or deliver letter of allotment or Scrip Certificate before the same shall be duly stamped, to forfeit £20. (30 and 31 Vict. c. 90, § 21.) The stamp applicable is the impressed stamp, *not adhesive*.]

And if the same shall exceed £100, then for every £100, and fractional part of £100,—5s.

Bonds, debentures, policies of insurance, covenants, or contracts settled, or agreed to be settled, shall be deemed to be settlements of the principal sums of money in them. But in the case of policies of insurance, if no provision for keeping them up, the duty shall be charged only on the value of such policies. (27 Vict. c. 18, § 12.)

As to the mode of ascertaining the value of the foreign and colonial stocks, funds, and securities, and sums in foreign and colonial currency, see *ib.* § 13.

All such deeds which contain any settlement of lands or other property, or any other thing besides the settlement of such money or stock, shall be chargeable

with such further duty as any separate deed containing such settlement of lands or other property, or other thing, would have been chargeable with, exclusive of the progressive duty.

And where there is more than one such deed chargeable with any such duty exceeding £1, 15s., one of them only shall be charged with the *ad valorem* duty; and also where any settlement shall be made in pursuance of any previous articles chargeable with, and which shall have paid any such duty exceeding £1, 15s., it is not chargeable with the *ad valorem* duty; and the deeds not chargeable with the *ad valorem* duty shall be charged with the duty to which they are liable under any more general description in the stamp schedules; and on the whole being produced duly executed and stamped, the latter shall also be stamped with a particular stamp for denoting the payment of the said *ad valorem* duty.

INVENTORY DUTY.

I. PERSONAL ESTATE :—

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or movable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or movable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the Books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 and 22 Vict. c. 56, §§ 3 and 8.)

Oaths and Affirmations to Inventories of personal estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 and 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in *Scotland*, the personal estate in *England* and *Ireland*. The estate in *England* and *Ireland* shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in *England* and *Ireland*, on being produced in the Principal Probate Court in *England*, and the Court of Probate in *Dublin*, and a copy thereof deposited with the Registrar, together with a copy of the Interlocutor

of the Commissary finding that the deceased died domiciled in *Scotland*, is to be returned sealed, and is thereafter to have the same force and effect in *England* and *Ireland*, as if Probate or Letters of Administration had been granted by these Courts. (21 and 22 Vict. c. 56, §§ 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and *Ireland* where the deceased died domiciled in *Scotland*, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in *England* and *Ireland*. It is therefore still competent to pay Inventory Duty on the Estate situated in *Scotland*, and Probate or Administration Duty in respect of the estate in *England* and *Ireland*. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in *Scotland*, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in *England* or *Ireland*, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 and 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, shall make up the full amount of Stamp Duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, &c., Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or movable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased, (*Ib.* § 5.) Indian Government Promissory Notes and Certificates issued or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased, (23 Vict. c. 5, § 1.) Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered, (27 & 28 Vict. c. 56,) and liable to Inventory, Probate, or Administration Duty. "The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional inven-

tory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or movable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or movable estate and effects, or any part thereof, and his heirs and successors." (23 and 24 Vict. c. 80, § 5.)

II. MONEY SECURED ON HERITAGE, &c.

The Act 23 Vict. c. 15, § 6, (3d April 1860,) declared that money secured on heritable property in Scotland, and money secured by Scotch bonds in favour of heirs and assignees, excluding executors, should be chargeable with Inventory, Probate, or Administration Duty.

The Act 23 and 24 Vict. c. 80, was passed to regulate the levying and collection of the said duty. Section 1 gives a description of the property which shall be liable to Inventory Duty under the Act of 23 Vict. c. 15; and section 8 further explains what shall be subject to duty. Section 9 of the Act 23 and 24 Vict. c. 80, repeals the Act 23 Vict. c. 15, § 6, in so far as regards Probate and Administration Duty being chargeable in respect of the property, so that *now in all circumstances such property is liable to Inventory Duty*. Section 1 is in these terms:—

Description of Property liable to Duty, and Commencement of Duty.

"All money secured on heritable property in Scotland, and all money secured by *Scottish* bonds and other instruments, excluding executors, and all money secured by *Scottish* bonds and other instruments, the rights to which shall be taken excluding executors, constituting the succession, or part of the succession, of any person who shall have died on or after the 3d day of *April* in the year 1860, shall be liable to Inventory Duty under the said recited Act."

There are two modes of paying the duty provided for—23 and 24 Vict. c. 80, §§ 3 and 4:—

Two Modes of Paying the Duty.

1. By a "Special Inventory" of the property, to be lodged with the Solicitor of

Inland Revenue at Edinburgh, (a form of which, with relative oath, is given in the schedule to the Act,) stamped according to the amount of property contained in it. The Inventory Stamp shall be testate or intestate according as the Stamp on the Inventory of the personal estate shall denote the testate or intestate rate of duty.

2. By adding the amount of the property to the Inventory of the personal estate, and paying Stamp Duty upon the aggregate amount.

This second mode will generally be the most advantageous for the tax payer; and will be followed when the interest in the heritable and movable estate is the same, or when the heir and executor can make an arrangement as to the payment of the duty. As to both modes of paying the duty, it is declared that the duty is ultimately to be borne by the parties proportionally according to their interests in the property.

Value to be at the date of the oath to the Inventory, and Inventory to include proceeds to that time.

The 5th section of 23 and 24 Vict. c. 80, provides, that the Inventory Duty shall be payable on the property made liable by the Acts referred to, according to the value of such property at the time the Inventory containing it shall be sworn to, including the proceeds accrued thereon down to that time.

Act retrospective as to time of valuing Personal Estate.

It will be observed that the Inventory Duty on money secured on heritage, &c., is limited to such property constituting the succession of a person who shall have died on or after the 3d April 1860, (23 and 24 Vict., c. 88, § 1;) but the provision for valuing property at the date of the affidavit to the Inventory, and including the proceeds down to that time, is retrospective and universal in its operation, applying to all Inventories sworn to on or after the passing of the

Act, (6th August 1860,) without regard to the date of death.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and money secured on Heritage.

In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also money secured on heritage, &c.:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, and Duty may be paid on a "Special Inventory" of the money secured on the heritage, &c., and Probate or Administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, Probate or Administration taken out in England and Ireland, and Duty paid on such in respect of the property in each country.

For Probate and Administration Duty, Debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other speciality, shall be estate and effects of deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or speciality shall be at the time of the death. (25 Vict. c. 22, § 39.)

Exemptions.—1. Inventory of the Estate of any common seaman or soldier dying in service.

2. Additional Inventory where the duty on the whole estate does not exceed that already paid on the former Inventory.

Note.—Forms of Inventory and Additional Inventory will be found in the "Juridical Styles," vol. iii., Appendix, pp. 8 and 11. Forms may also be obtained from the Solicitor of Inland Revenue, Edinburgh.

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 and 6 Vict., c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. A return of the duty paid on heritable securities may also be made in certain circumstances. See 23 and 24 Vict., c. 80, §§ 4 and 6. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861,

expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 and 25 Vict., cap. 92, § 3.)

LEGACY-DUTY.

<i>On Legacies, Residues, &c.</i>	Duty per ct.
To children or their descendants, or lineal ancestors,	£1 0
Brother or sister, or descendant,	3 0
Uncle or aunt, or their descendants,	5 0
Grand uncle or aunt, or their descendants,	6 0
All other relations or strangers,	10 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such near relationship. (16 and 17 Vict., cap. 51, § 11.)

This duty is payable for every legacy out of the personal or movable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or movable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III., cap. 184, schedule part III.)

Annuities commencing to be payable on the death of persons dying after 19th May 1853, are valued for legacy duty according to tables annexed to the Succession Duty Act, (16 & 17 Vict., c. 51;) and Annuities commencing to be payable previous to that date, by the Tables annexed to the Legacy Duty Act, (36 Geo. III., cap. 52.)

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty though each or either may be separately under that amount.

N.B.—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the distributors of stamps in the country. Practical directions as to the settlement of the legacy duty will be found in "Juridical Styles," vol. ii., Appendix, p. 27.

SUCCESSION DUTY.—The duty commences on the death of persons dying after the 19th May 1853 (16 & 17 Vict., c. 51, §§ 2 and 54,) and seems to be imposed on all property, both heritable and movable, passing

by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoing (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Personal property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personality (§ 1.)

The property chargeable with duty is called "Succession," (§ 1,) and "Successor" denotes the person entitled to it, and "Predecessor" the person from whom the interest of the Successor is derived, (§ 2.)

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor,—£1 per cent.

Brothers and sisters of the predecessor and their descendants,—£3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants,—£5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants,—£6 per cent.

Any other person,—£10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18), and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (ib.)
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (ib.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh, and at the offices of the distributors of stamps in the country. Practical directions as to the settlement of the succession duty will be found in "Juridical Styles," vol. ii. p. 38.

DISCOUNT ON THE PURCHASE OF STAMPS.

Purchasers of stamps (except receipt, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in whole, are allowed discount at the rate of 30s. per cent. (12 and 13 Vict., c. 80.) The like discount is allowed to any person lodging at Edinburgh, for paper or forms containing printed matter only, to be impressed with stamp duties under the value of £10 each, but to the value of £30 or upwards in whole.

To persons who, at one time, shall produce at the office of Inland Revenue in *London, Edinburgh, or Dublin*, paper to be stamped with, or shall purchase at the office in *London, Edinburgh, or Dublin*, stamps to the amount of £2 or upwards, or of any distributor or sub-distributor of

stamps at any place not within the distance of *ten* miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange, Drafts or Orders, or Promissory Notes, or Stamps*, for denoting the duty of one penny on any instrument or document whatever, (except postage stamps and customs stamps,) an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 and 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty,—£10. (*Ib.* § 25.)

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a Justice of the Peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Monday se'ennight, and within six weeks from the date of the ticket. If not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments. If the stamps belong to persons beyond that

distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same excepting the correction of the error.

As to the exchange of sea policies of insurance, see 30 Vict. c. 23, § 17. The cases for allowance are—

1. Where Policy shall be inadvertently filled up in an incorrect or improper manner;
2. Or be obliterated, or otherwise spoiled, and rendered unfit for use;
3. Or shall be filled up for some insurance which shall not be proceeded in, and the same shall not be signed by any underwriter, but in no other case.

Application must be made within six months after the policy shall be spoiled or become useless.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for or fail of

the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Appli-

cation for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3d and 4th Will. IV., c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorised to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the per centage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 and 14 Vict., c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 and 14 Vict., c. 97, § 13.)

Adhesive Stamps.—Where adhesive stamps may be affixed to any instrument, an officer of Inland Revenue, authorised by the Commissioners, may, on the instrument being produced to him, affix and

cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 and 25 Vict., c. 91, § 32.)

PAUL'S WORK,
EDINBURGH, May 1868.

SAFETY AND ECONOMY IN THE USE OF STEAM.

SWANN'S PATENT SAFETY VALVE.

PATENT RELIANCE FEED WATER VALVE.

MR JAMES ECKERSLEY, Consulting Engineer, as Agent for the Steam Boiler Insurance and Steam Power Company, (limited,) having devoted special attention to the securing of economy and safety in the generation and use of Steam, has pleasure in recommending to the notice of all requiring Steam Power, Swann's Patent Safety Valve—hundreds of which are now in use, giving the greatest satisfaction. It has stood the test of time, has received the approval of the Boiler Insurance Companies and all the most eminent Engineers of the day, besides having been favourably criticised by the leading Mechanical Journals.

Mr E. would also draw attention to the Improved Patent Reliance Feed Water Regulating Valve, which meets a want long felt but never before supplied—viz., a trustworthy and reliable means of securing a constant uniform level of water in the Boiler. The Reliance Regulating Valve is the only apparatus which answers this purpose effectively.

Mr E., knowing the many and serious objections against the ordinary water gauges, has perfected and introduced a Water Indicator, which, working without taps and having no passages liable to choke up with sediment, acts with the greatest attainable accuracy, showing at a glance the true level of water in the Boiler. It can be easily attached to any Boiler, and may be worked in conjunction with ordinary gauges if desired.

Prices and particulars of any of the above may be had on application to

DISTRIBUTION OF PROFITS.

Nine-tenths, or Ninety per cent., of the Profits are divided every seven years among the Participating Policy-holders. Policies of five years' duration, becoming claims between one division of Profits and another, are entitled to an Intermediate Bonus.

The Company's system of Division of Profits, while it does not exclude younger Policy-holders from their fair share in the allocation of Bonus, reserves a much larger proportion for those whose Policies have existed for a long period, and who have themselves attained an advanced age.

Five Periodical Investigations have already been made, and the results of the equitable principle of Distribution are brought out in the very large Bonuses which attach to cases fulfilling these conditions, and are fully illustrated by the undernoted examples.

THE RATES OF PREMIUMS

are moderate, and will bear very favourable comparison with those of other First-class Offices.

FIRE INSURANCE.

THE Directors beg to call the attention of those who are not insured to the very small Annual Charge at which this Security can be obtained.

The Duty payable to Government being now reduced to 1s. 6d. per cent., parties will be enabled to increase very considerably their existing Insurances, without increasing the payments they have been making under the old rate of Duty; and those who have hitherto been unprotected can now be insured on very favourable terms.

This Company has been established for more than Forty Years, and is prepared to offer the greatest facilities in connexion with Fire Insurance.

The Policy-holders of the Company enjoy the following important advantages:—

COMPLETE SECURITY.	MODERATE RATES OF PREMIUM.
PROMPT SETTLEMENT OF LOSSES.	LOSSES FROM FIRE BY LIGHTNING MADE GOOD.
LOSSES BY EXPLOSION OF GAS WITHIN THE BUILDING INSURED ARE PAID.	
INSURANCES FOR SEVEN YEARS CHARGED FOR SIX YEARS ONLY.	

No Charge made for Policies, however small the amount Insured.

IN THIS INSTITUTION, (founded 30 years ago,) BONUSES from PROFITS are applicable on a Special System for the Policyholder's *Benefit and Enjoyment during his Own Lifetime.*

IN CLASS A.—

The BONUSES are applied in CASH at an early stage of the Policy, so as to effect a

LARGE REDUCTION OF PRESENT OUTLAY.

IN CLASS B.—

PROFITS are allocated in the form of BONUS ADDITIONS of unusually large amount to the SUM ASSURED in the event of average length of life; with the option of an EQUIVALENT in a CASH PAYMENT or

LIFE ANNUITY TO THE POLICYHOLDER HIMSELF,

FORMING AN IMPORTANT

PROVISION FOR OLD AGE.

THUS, instead of being an EXPENSE and a BURDEN to the Policyholder, the Assurance becomes a source of considerable INCOME to HIMSELF after the average period of life, while, at the same time, the Sum Assured remains untouched for his Representatives, or for other purposes.

This Arrangement is peculiar to the Life Association of Scotland.

The REGULATIONS are particularly favourable as regards *Indisputability, Non-forfeiture, Occupation, and Residence.*

THE ADVANTAGES WHICH THIS SOCIETY OFFERS ARE—

IMMEDIATELY, A GREATLY LARGER ORIGINAL ASSURANCE FOR THE SAME AMOUNT OF PREMIUM,—AND

EVENTUALLY, TO GOOD LIVES, AS LARGE ADDITIONS AS WHERE THE ORDINARY HIGH RATE OF PREMIUM IS CHARGED.

For the same yearly sum as large an Assurance may generally be secured from the first, as can be looked for elsewhere only after many years' accumulation of Bonuses. Thus, a Policy for £1200 or £1250 may be had for the Premium usually charged to assure £1000 only.

In addition to this immediate advantage, the whole Profits are secured to the Policy-Holders themselves, and the principle on which they are divided will commend itself as not only safe and equitable, but as the most satisfactory method on which the profits arising from moderate Premiums could be allotted. Instead of being given among all Policies indiscriminately—including those which have subsisted only a few years, and on which there may eventually be a heavy loss to the common fund—they are reserved for those Members who alone can have made surplus payments—in other words, for those whose Premiums, with accumulated interest, amount to the sums in their Policies.

Policies originally for L.1000, which have shared at three Septennial Divisions, have thus already been increased to L.1400, L.1600, and even to L.1800.

Examples of Annual Premium for Assurance of £100 at Death, (with Profits.)

AGE.	25	30	35	40	45	50
Payable during life,	£1 18 0	£2 1 6	£2 6 10	£2 14 9	£3 5 9	£4 1 7
Limited to 21 years,	£2 12 6	£2 15 4	£3 0 2	£3 7 5	£3 17 6	£4 12 1

Thus a person of 30 may secure £1000 at death, with Profits, for a yearly Premium of £20, 15s., which in the other Scottish Mutual Offices would assure £800 only.

Or, unwilling to burden himself with payments during his whole life, he may secure a Policy for £1000, with right to share in Profits, for a Premium of £27, 13s. 4d., *limited to Twenty-One Payments*, being nearly the same as most Offices require during the whole term of life.

To PROFESSIONAL MEN, and others whose income is dependent on the continuance of health and activity, this mode of Assurance is specially recommended.

 *Tables of Premiums to cease after 7, 14, or other number of years may be had.*

Above 17,000 Policies issued. Substantive Assurances upwards of Six Millions. Annual Revenue, £230,000. Accumulated Fund, arising entirely from Premiums, exceeds £1,350,000, all invested in unexceptionable securities in this Country.

DISTRIBUTION OF PROFITS.

Five-sixths of the Profit arising from the whole Life Business are divided every Five Years among participating Policy-Holders, on equitable principles—viz., in the proportion each party has contributed to the Fund.

BONUSES

have been declared in 1841, 1846, 1851, 1856, 1861, and 1866. At the last Investigation in 1866,

A REVERSIONARY BONUS was allocated upon these Policies entitled to participate, in proportion to the Premiums paid during the five preceding years, varying from about one to upwards of one and a half per cent. per annum on the sums assured, according to age and duration of the Policy.

BONUS declared every five years, and may be applied at the option of the Assured, in any of the following ways:—

I. IT MAY BE ADDED TO THE SUM ASSURED; II. APPLIED IN REDUCTION OF FUTURE PREMIUMS; or, III. SURRENDERED FOR ITS PRESENT VALUE IN CASH.

NO EXTRA PREMIUM charged for residence in Australia, New Zealand, Canada, or the United States of America north of the 38th degree of north latitude.

POLICIES may, under certain conditions and exceptions, after five years' endurance, be made indisputable, and the assured permitted to travel or reside beyond the limits of Europe without payment of Extra Premium.

Prospectuses and all other information may be had on application at the Head Office, or to any of the Company's Agents.

REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

THE Directors have adopted a new Scale of Rates for the East and West Indies, and China, considerably lower than those formerly charged by this, or, they believe, any other Company, but differing from the old system, in respect that no reduction takes place on the assured returning to Europe or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

ANNUITIES ARE SOLD ON VERY FAVOURABLE TERMS.

Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of Years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

FIRE DEPARTMENT.

ROBERT CHRISTIE, Jun., *Secretary.*

No. 20 ST ANDREW SQUARE, EDINBURGH.

SCOTTISH WIDOWS' FUND LIFE ASSURANCE SOCIETY.

FOUNDED A.D. 1815.

The Leading Feature

of this Old Established and well-tried Society is its Mutual Principle, which Secures to the Policyholders the Division of the whole Profits among themselves, without any deduction for Dividends to Shareholders, as in Life Assurance Companies of the Proprietary Class. This single circumstance retains for Distribution among the Policyholders Large Sums of Money which would otherwise be lost to them.

The Largest Division of Profits

ever made by the Society was that declared at the Annual Meeting of Members held on 24th May last. The Profit realised during the seven years ending 31st December 1866 amounted to no less than £834,183, 10s. 1d., which sum was divided among the Policyholders in the manner fully explained in the Report read at the Meeting, copies of which may be had, *free of charge*, on application.

Increase of Business.

During last Septennial Bonus Period, 1860 to 1866, the Society issued Policies for New Assurances amounting to the large sum of £5,461,884. Comparing the New Assurances effected in 1860, the first year of that period, with the New Assurances effected in 1867, the first year of the current Period, 1867 to 1873, the following is the result:—

New Assurances 1860,	£ 380,305
New Assurances 1867,	811,411
	<hr/>
Difference in favour of 1867,	L.431,106
Being an increase of £113 per cent.	

Security enjoyed by the Members, and their future Prospects.

The Balance-Sheet and details of the Valuation of the whole Liabilities of the Society published in last Report fully and clearly make known to all Actuaries and skilled persons the Entire Financial condition of the SCOTTISH WIDOWS' FUND; while to the general public they afford the means of ascertaining for themselves the character of the security and prospects of future advantage which such a financial condition presents. *By no other means than the publication of such information as is contained in the Balance-Sheet and Valuations referred to, can the real position of a Life Assurance Institution be made known.*

Resources of the Society.

Annual Revenue,	L.600,000
Invested Funds,	4,600,000

Persons effecting Assurances now

will do so at a time when the Society has acquired a select Business of the highest class, the growth of upwards of Fifty Years of uninterrupted prosperity, and has reached an *annually*-increasing rate of progress which has never been exceeded in the history of Life Assurance in this country. Moreover, although the Society never took over the Funds of any other Office by amalgamation, its *Life Assurance Fund* is larger than that of any similar Institution. Its Financial Power secures for the Society the best and most remunerative Investments which the country affords. The natural effect of these and the other circumstances above referred to must be the realisation of a *rate of Profit* unattainable by Offices less favourably circumstanced; and when it is kept in view that the *WHOLE Profit* actually realised is divided among the Policyholders alone, the conclusion necessarily follows that *Life Assurance could not be conducted under more favourable conditions for Policyholders than it is in the Scottish Widows' Fund.*

COMPARATIVE PROGRESS.

The Public appreciation of the principles of the Society may be seen by the great Increase of New Business of the last Nine years, taken in triennial periods,—

” ” ” in 1864, 1865, 1866,	•	£171,000

SPECIAL ADVANTAGES.

The application of the Profits to rendering the Policy payable during the lifetime of the assured. The avoidance of all uncertainty, or litigation, by making Policies indisputable.

The assistance granted to an Assurer in the Payment of his Premium; thus averting the chance of losing the Benefit of the Policy by forfeiture, through inability to pay the Premium.

ACCUMULATED FUND,.....£315,000

ANNUAL REVENUE,.....£110,000

THE COMPANY was established in the year 1837, for the transaction of all varieties of Life and Fire Assurance Business. Its subscribed Capital is £1,000,000 sterling, held in Ten Thousand Shares by a numerous and wealthy Proprietary widely scattered throughout England and Scotland.

THE COMPANY has obtained two special Acts of Parliament, conferring on it various powers and privileges; and is one of those approved of by the Postmaster-General for the Assurance of the Lives of the Post-Office Officials.

DURING THE YEARS 1863 to 1867, which constituted the last quinquennial period, the *new* Life Business done was £1,016,700; yielding in *new* Premiums £24,453; being a large increase on the previous business done.

ALL CLAIMS are settled with liberality and the utmost promptitude, in order that the full benefit of the assistance and relief which Assurance is designed to afford should be secured to Assurers or their representatives.

THE LARGE CAPITAL of the Company, the whole of which is available to meet Claims, and the Reserve Fund in hand, are guarantees of perfect security to Policy-holders, who are in no way involved in the mutual liabilities of Partnership.

A CASH BONUS of 22 PER CENT., equivalent to a REVERSIONARY BONUS of from 30 to 60 PER CENT., according to the age of the Assured, was declared at the Division of Profits in 1863, and the bonus to be declared in 1868 will, it is expected, be larger in amount.

THE PREMIUMS charged by this Company will contrast favourably with those of other Offices.

LOANS from £50 to £1000 are granted by the Company on Personal Security, and the assignation of a Life Policy to be effected with the Company.

POLICIES issued on the CREDIT SYSTEM, in the case of Assurances for the Whole of Life for £250 and upwards. Half the Premium for five years, or one-third for the Whole of Life, may remain as a Debt on the Policy.

SPECIAL BONUS NOTICE.

In the Participation Branch, the Assured, while fully protected by the subscribed and accumulated Capital, and exempted from all liability of partnership, actually receive larger Bonuses than if they formed a mutual Society, and allocated amongst themselves their entire profit, without reserving any guarantee fund. This arises from five-sixths of the profits of the Non-participation Branch being divided amongst the Profit Policy-holders, and a considerable share of the expenses of management being borne by the Fire Department.

No part of future profit has been anticipated; and notwithstanding that the valuations have all along been made on the strictest principles of Actuarial Science, *increased Bonuses* have been declared at each successive investigation, forming a marked contrast with the experience of many other offices.

FIRE DEPARTMENT.

Almost every description of Property insured at rates as low as is consistent with safety.
Claims adjusted with liberality, and settled with promptitude.

NATIONAL LIFE ASSURANCE SOCIETY.

LONDON—(HEAD OFFICE)—2 KING WILLIAM STREET.
EDINBURGH—93—A GEORGE STREET.

In this Society, the system of dividing the Profits secures to the Policyholder a large reduction of his Premium after five years, or an addition to his Policy equal in value to the reduction.

The Rate of Reduction for the current year is FIFTY PER CENT. PER ANNUM, and the following are examples of the annual payments required for an Assurance of £500, in the event of that Rate being maintained:—

Age next Birthday,	20	25	30	35	40	45	50
First Five Years,	£10 3 4	£11 5 0	£12 11 8	£14 5 5	£16 8 9	£19 5 10	£23 3 4
Subsequently,	£5 1 8	£5 12 6	£6 5 10	£7 2 9	£8 4 5	£9 12 11	£11 11 8

The Society was established in 1830, and is a purely Mutual Office. The ACCUMULATED FUND amounts to £543,904, being nearly £30 for every £100 Assured.

Prospectuses and Copies of the last Annual Report, with a General Statement of Accounts, and a Balance Sheet detailing the position of the Society, will be forwarded free on application.

THE distinguishing feature of this Company is the equitable manner of dividing the Profits, whereby Policies become payable during the lifetime of the Assured at the ordinary whole life rate of Premium, which system is peculiarly favourable to young Assurers.

The POLICIES issued by this Company are more valuable than ordinary Policies, inasmuch as they are relieved of all unnecessary restrictions, and after three years are (without application) wholly indefeasible and indisputable, and extraordinary facilities are granted to the Assured to keep their Policies in force.

DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *farther guarantee of the Company's large subscribed Capital.*

LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

The objects of the Institution having become generally known, about five hundred gentlemen sought and were received into its fellowship during its first year. The Membership is now close on eight hundred; but the greater the fellowship, the greater the influence of the Chamber in promoting and attaining its fundamental objects, and hence the Office-bearers invite all interested in Practical Agriculture to become Members.

OBJECTS OF INSTITUTION.

To establish a Show of Fat Stock, Poultry, Seeds, Roots, Agricultural Implements, &c., to be held in Edinburgh yearly in December. The Society's first Show in December 1867 drew to the metropolis many of the best specimens of Live Stock, &c., from the Scottish Counties, and some fine specimens from England and Ireland. The result was the establishment of a great National Show, where the meat-producing qualities of the various breeds of Cattle, Sheep, Pigs, and Poultry, as well as of Agricultural Produce, was fairly judged, and suitable prizes awarded. The stock shown came under the eye of purchasers in Edinburgh and Glasgow, and the large buyers from England. By making the Show earlier in December than last year, (which has been resolved on,) the best specimens can be forwarded by their owners to the large Shows of London, Birmingham, and Liverpool, and in this way the great importance of the Society's operations to the feeders and breeders of stock in Scotland, and to the community of Edinburgh, is manifest.

20 BUCHANAN STREET, GLASGOW.

W. R. M. THOMSON & CO., 20 BUCHANAN STREET, CONSULTING ENGINEERS, and PATENT AGENTS, in connexion with WILLIAM SMITH, Esq., C.E., Director of the Artizan Patent Office, London, Proprietor and Editor of the *Artizan*, a Monthly Record of Engineering and the Industrial Arts.

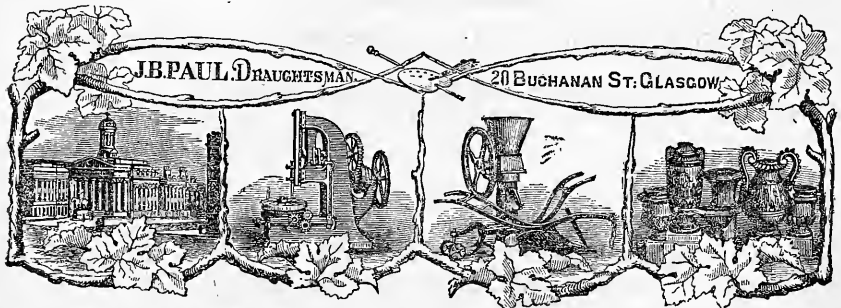

The Subscribers beg to announce to Engineers, Inventors, Patentees, and others, that they execute all business connected with the obtaining of BRITISH, COLONIAL, AND FOREIGN LETTERS PATENT FOR INVENTIONS, THE REGISTRATION OF DESIGNS, AND ALL OTHER PATENT AGENCY BUSINESS, AS WELL AS THE MAKING OUT OF PLANS AND SPECIFICATIONS OF ALL KINDS OF MACHINERY, IN THE MOST CORRECT AND EFFICIENT MANNER, AND AT THE LOWEST POSSIBLE CHARGE.

The extensive practical experience acquired by Mr W. R. M. T. as a Mechanical Engineer since 1833, and also as a Patent Agent since 1849, gained during fifteen years' management of the Engineering and Drawing Department of the Business of the late Wm. Johnson, Esq., and also of this business, (which has given him such an intimate knowledge of most of the valuable Patented Inventions connected with Textile Manufactures and Machinery of every description, as will enable him to give the most reliable opinions and advice as to the *novelty or validity of Patentable or Patented inventions*, and also as to all *questions of infringements*,) together with having in Mr Smith so valuable a coadjutor, whose well-known authority on all scientific and legal matters connected with Patents, and the extensive connexion formed by him in the course of his long practice in nearly every country where Patents are granted, will, it is hoped, be a sufficient guarantee that all business intrusted to the Advertisers will be executed in the most *careful and efficient manner*.

THE BEST TABLE, PICKLING, AND CULINARY VINEGARS.

CAMPBELL'S INDIAN SPICED MALT VINEGAR,

WAVERLEY MALT VINEGAR WORKS, EDINBURGH,

Answers all the purposes for which Common Vinegar is used. With HASH, COLD MEAT, and with FISH, it is much esteemed as a Table Relish, and is preferred to the more expensive Sauces in use on account of its lightness, delicacy of flavour, and *proved efficiency* as an aid to Digestion. It forms a piquant flavouring for Soups, Gravies, Made Dishes, Salads, &c., and requires no preparation or additional Spices for Pickling.

The following are Quotations from Opinions of the Press:—

"*Blackwood's Magazine* gives its readers a choice between Common Vinegar and Tarragon; and Lady Harriet, (St Clair, in her 'Dainty Dishes,') has several descriptions of vinegar, the preparation of which alone would be found a serious obstacle. All these preparations have been rendered unnecessary by the vinegar invented and prepared by Mr Campbell. 'CAMPBELL'S INDIAN SPICED VINEGAR,' which is at once as aromatic as tarragon, and not merely as economical, but as handy to use as the common vinegar, and more generally applicable than either—the *poor man's sauce* and the *rich man's luxury*."—*Daily Review*, October 8, 1866.

"Its employment for pickling *obviates the necessity for using spices in the ordinary manner*, while the VERY ESSENCE OF THE SPICES WHICH IT CONTAINS *finds its way MORE EVENLY through the contents of the pickle jar*. Another advantage it possesses is, THAT IT CAN BE USED FOR THE PREPARATION OF ANY KIND OF PICKLE IN A cold state. It is also *not merely convenient*, but it is, in our opinion, *a positive luxury*, as a promoter of appetite and digestion when used as a *sauce* with hash, cold meat, or with fish. It is, in fact, *alike suitable* FOR ALL THE SEPARATE PURPOSES IN WHICH COMMON VINEGAR AND SAUCE ARE EMPLOYED. It will assuredly become a leading article."—*The Grocer*, 4th Jan. 1868.

THE BOTTLED ALE COMPANY,

99 GEORGE STREET,

Back Entrance, for executing Orders from a Single Bottle upwards,
HILL STREET.

BITTER BEER, or PALE ALE, in this country is used co-extensive with Tea, probably more so; for, while Tea is taken by nearly the entire female population,—Coffee, from its greater sustaining power, is in general use among mechanics, and those engaged in outdoor avocations: but Bitter Beer is in almost equal demand by the male and female community throughout the three kingdoms. It serves many of the purposes of Milk, which, since the destruction of cattle from rinderpest, has become scarcer and dearer; and it is more beneficial for adults, because more stimulating and sustaining; besides being a well-known tonic.

The BOTTLED ALE COMPANY was established, and is fully organised, to give greater facilities for the consumption of Beer and Ale of the best kinds in bottle. The Company are developing, as far as possible, in Edinburgh and its vicinity, the kind of business done in England, by delivering weekly, bi-weekly, or daily, supplies of Beer and Ale conveyed in horse vans; and hitherto with marked success. They have lately removed to premises in George Street, containing ample cellarage, storage, stabling, &c., reaching back to, and also entering from, Hill Street.

The BOTTLED ALE COMPANY have a compact Cellar of Select WINES, and a Stock of Fine WHISKY; and are Agents for BRETT'S BRANDY, sold in bottles at 3s. 2d. They have always a large store of PRESTONPANS TWELVE-GUINEA ALE, which, for the emaciated and debilitated, is recommended by the Medical Faculty as both meat and drink.

They are also introducing to the Public some Drinks generally unknown:—

Ærated Pine Apple.—This is a most enticing draught, more delicate than Lemonade, and delicious than Cider.

Ærated Orange Juice.—This is exhilarating, and for invalids very desirable.

Extract of Perry.—This beverage is an Extract of Pears, but is not the drink known in England as Perry. It is much more delicate and refreshing, and for a summer drink delightful.

These drinks are quite strangers here yet, but cannot remain long so after being once tasted, and their prices known. They are nearly as cheap as Lemonade, Soda Water, or Ginger Beer, but greatly superior.

Lemon and Lime Juice.—These are now getting into family use, being wholesome and agreeable. Each bottle of the Lime Juice contains quantity equal to the dose prescribed for the Navy.

Orders, personally or by letter, receive prompt attention for the least as well as for large quantities; and to enable the Company to give the Public the benefit of lowest prices, all transactions are for Cash, except business done by Contract.

14 HERIOT ROW,
EDINBURGH.

THIS Establishment is situated in the most healthy part of EDINBURGH, having the beautifully laid-out Gardens of HERIOT ROW immediately in front, to which it has admission, and a fine open exposure behind.

The whole arrangements and studies are under the immediate personal superintendence of MISS BALMAIN, whose long experience in the EDUCATION of YOUNG LADIES fully qualifies her to meet the expectations of those PARENTS and GUARDIANS who may intrust their DAUGHTERS or WARDS to her care. The number of Young Ladies received as BOARDERS being very limited, the most careful attention is paid to each in regard to health, moral and religious training, the preparation of their various studies, and their comfort in every respect. The FIRST MASTERS attend to give instruction in all the branches of a thorough education and accomplishments, and MISS BALMAIN is assisted by FOREIGN and ENGLISH GOVERNESSES.

Prospectuses may be had on application to MISS BALMAIN,

THE SINGER MANUFACTURING CO.,

PROPRIETORS AND MANUFACTURERS OF THE WORLD-RENOWNED

"SINGER" SEWING AND BUTTON-HOLE MACHINES.

Principal Office—458 BROADWAY, NEW YORK.

THE following extract from the New York *Financial Chronicle* contains the official returns by each Company of actual business, and affords most convincing proof of the paramount value and utility of the "SINGER" Machines:—

SEWING MACHINES.—The following interesting statistics we gather from the quarterly returns made, we believe, under oath, by the several Manufacturers of Sewing Machines throughout the United States. The figures which we present, and which we have been at some pains to collect, show at a glance the wonderful growth and great importance of this branch of American manufactures. It will be observed that one Company alone has produced and sold within the year over *forty-three thousand machines*. It is somewhat remarkable that during the recent stagnation in trade this business has been but slightly, if at all, affected. But below are the figures in detail:—

The above engraving is a representation of W. BAIN & Co.'s DOUBLE STRANDED WIRE NETTING.

The improvement, which they invented in 1860, and are carrying out, consists of interweaving horizontally in the web twisted Strands, not exceeding from 9 to 12 inches apart, one of which is shown in the engraving at *SS*; and the advantages of which have now become so obvious, that they require no explanation.

For the introduction of these Strands W. B. & Co. make no extra charge.

NUMBERS OUT OF WHICH ONE PERSON WILL DIE IN EACH YEAR.

The favourable Mortality experienced by the ROYAL, is exhibited by the Diagram, which shows the NUMBER out of which ONE has Died at each Age up to the end of the year 1864, compared with the NUMBER which had, been EXPECTED by the Tables, and further contrasted with its Experience up to the end of 1859, and with the "Combined experience of Seventeen Offices."

I CONFINE myself to the experience of the seventeen Offices published in 1843. A few words will suffice to show the particular and general adaptation of this figure to its intended purpose.

To exhibit the first of these qualities, let it be supposed that the enquirer wishes to compare the Mortality experienced by the respective Offices named, on Lives aged 40 years.

By drawing his finger carefully along the horizontal line 40, to the points where the several curves cross the said line, and following with his eye the vertical line at those respective points to the top or bottom of the page, he will learn that

The "ROYAL" expected that 1 out of about 80 would die;
 But by adjusted experience to 1865, only 1 out of about 109 would die;
 And by ditto to 1859 1 " " 104 would die;
 Whilst by the combined experience . . 1 " " 97 would die.

Little will be required to show the general adaptation of the Diagram to exhibit the success of the ROYAL in its Mortality, and the BENEFIT thus OBTAINED by the ASSURER with PARTICIPATION OF PROFITS in that Office. I refer here to the fact that every point on the left of the $\odot\odot\odot$ curve, which it must be observed represents the Mortality expected by our Tables, shows more or less gain according as it is removed from or approaches thereto. Now, as the curve $\diamond\odot\odot$ and the one painted red, respectively depicting the adjusted Mortality of the ROYAL up to 1859, and up to 1864, are entirely on the left of the $\odot\odot\odot$ curve, and some portions of them at a very marked distance, it is at once evident that everything in the PAST experience of the Company, as respects this important subject, has been more favourable than could have been reasonably hoped for."

EVIDENCES OF GREAT PROGRESS.

FIRE PREMIUMS.

1856 £151,733
 1866 447,271

1866 NEARLY THREE TIMES THE AMOUNT OF 1856.

LIFE PREMIUMS.

1856 £87,344
 1866 188,566

1866 FIVE TIMES THE AMOUNT OF 1856.

RAPID GROWTH OF LIFE FUNDS.

1856 £118,716
 1866 848,746

1866 exceeds 1856 by no less than £730,030.

Amount added to the Life Funds in the year 1866 alone, after payment of all Losses and Expenses, £124,165.

The increase for the year 1867 alone, beyond the amount at the close of the year 1866, will also show, when the accounts are completed, a further amount of over £120,000, making the total Life Funds nearly £1,000,000, in addition to the Fire Reserve fund and Capital. The accumulated funds of the Company being thus nearly

ONE MILLION AND A HALF STERLING.

The Actuary in his late Valuation Report stated his opinion that no less than £100,000 would be added annually to the Life and Annuity Funds, for the next ten years. This anticipation has so far been more than realized, as the Funds in hand at the end of 1867 will show an

INCREASE OF OVER £110,000 PER ANNUM.
